## **ACHIEVEMENTS**

The 2017-18 Swimming and Diving Team was one of the youngest teams we have had in recent memory. The depth in our younger classes hold much promise for the future. Beyond the success in the pool the team raised over \$1300 for Hour of Power and packed 23,945 meals for starving children around the world through “Feed My Starving Children” in our *Going Beyond Sports* initiatives. On the Varsity, the regular season was marked with some great success in dual meets including wins against powerful GBN and Deerfield teams and a gripping victory vs. Evanston that went down to the last relay. The Freshman were a huge force this year as they placed second at the CSL Championship. The Junior Varsity had some fantastic senior leaders and performed well at dual meets and the championship meet. The Varsity placed second overall in Conference and had some incredible performances at Sectionals, qualifying in five events and two relays for the IHSA State Meet.
