## ACHIEVEMENTS

The 2018-19 Swimming and Diving Team was one of the largest teams we have had in recent history. This large team raised over \$1,240 for Hour of Power and packed 124 boxes, which is equivalent to 74,400 meals for starving children around the world through "Feed My Starving Children" in our *Going Beyond Sports* initiatives. The dual meet season brought much success at all three levels. Our size and talent level was a distinct advantage when matching up against other schools. The season started with a victory vs. Fremd in a meet that went down to the last relay and much success followed that meet. The championship season also brought accolades. The team had some great performances at Frosh/JV/VAR Conf. meets. We also qualified four individual swims and three relays to the IHSA State meet led by double qualifier Catherine Devine. Coach Mac was named IHSA Sectional Coach of the Year.
