ACHIEVEMENTS

The 2023-24 was an exciting year of pulling out meets in the last event and having big performances at the end of the season. Two conference dual meets went down to the last relay and the varsity prevailed. That toughness carried over to the end of the season success as well as the IHSA Sectional meet went down to the last two events and the TITANS PREVAILED. More importantly, we qualified for the IHSA State Meet in a bunch of events. We were represented in almost every event with only 5 teams in the state having more qualifiers. This carried over to the State prelims where we qualified for finals in almost every event. Ryan Eidelman also won 4 golds at the State meet in the AWD events including a state record in the 200 free. Lucas set a new school sophomore record in the 100 free and Taylor was the only freshman in the state to advance to finals in diving. We had a tremendous senior class that kept the team focused throughout the season.
